2. Public comments (2-minute limit)
3. Approval of minutes from BoG Meeting on April 25th, 2023.
4. Treasurer's Update
5. Beach Crew Update
 - a. People
 - b. Buddy Punch (Time Capture)
6. Discussion and response to Mayor Passero's request for community input
 - a. Granite curbing? Would you like it installed? If it's installed and trees or other obstacles need to be removed to make way, are you still in favor of it? Also, granite curbing may reduce parking on the side of the road. Does this impact your response?
 - b. Sidewalks? The city is open to redoing the sidewalks on one side of the street. If it's on your side, are you open to it? If it's on the other side, are you open to it? Why one side of the street if sidewalks are already present on both...I don't know.

c. Timing of the work? Repaving the roads? Should it be done sooner rather than later, even if it means impacting a couple of weeks during the summer season? Or shall we defer until after Labor Day and live with what we have? Do the sidewalks and the repaving have to happen at the same time?

7. NPA Bylaws

a. A discussion regarding the use of umbrellas.

8. New business

9. Adjournment
